Summary

Avoidable Deaths Network's (ADN) first Annual General Meeting (AGM) will be held on 5 December 2020 at 11:00 am GMT time. All of ADN's Regional Coordinators and Advisory Board Members have been invited to attend the AGM. The AGM will focus on ADN's past and current activities and future direction.

We have also invited the Regional Coordinators of ADN Hub-Uganda, ADN Hub-India and ADN Hub-Bangladesh to present an update on their activities.

The AGM will also discuss the renewal of the Regional Coordinator's positions, which are due in March 2021.

Since its inception on 12 March 2019, ADN has been growing at a steady pace. This AGM will also focus on this short journey and celebrate what we have achieved so far. It would be lovely if you can attend this AGM with a glass of wine, or non-alcoholic drink so that we can raise a toast to ADN and ADN's team.

We will complete the AGM within 3 hours. This AGM will be held online using Zoom. The Zoom link will be sent out shortly.

Please find the timetable for the AGM on the next page.

If you have any questions, please contact the Operations Manager, Ms Denise Corsel: dmjc3@leicester.ac.uk
